

26 September 2016

IN-PRINCIPLE ACCEPTANCE
BIP NO: 2016-05-0040

This letter ^[Note 1] is issued to **QuickSmart Technology (Singapore) Pte Ltd** to confirm that the **Steel Prefabricated Prefinished Volumetric Construction (PPVC) System – QUICKSMART PPVC System (2016)** as submitted ^[Note 2] to the Ministry of Manpower (MOM) through the Building Innovation Panel, is in-principle acceptable for use in building projects in Singapore, subject to the following conditions:

QuickSmart Technology (Singapore) Pte Ltd has to make available the following information about the safe installation and use of the QUICKSMART PPVC System (2016) to any company or person to whom the QUICKSMART PPVC System (2016) is supplied for use at work:

- (i) the precautions to be taken for the safe installation, use and maintenance of the QUICKSMART PPVC System (2016);
- (ii) the safety and health hazards associated with QUICKSMART PPVC System (2016); and
- (iii) the information relating to and the results of any tests or examinations of the QUICKSMART PPVC System (2016) that are relevant to its safe installation and use.

Chan Yew Kwong

for Commissioner of Workplace Safety and Health

Ministry of Manpower

Note:

1. This In-Principle Acceptance does not exempt the QUICKSMART PPVC System (2016) that is designed and supplied by QuickSmart Technology (Singapore) Pte Ltd and its use from the need to comply with the Workplace Safety & Health Act and its subsidiary legislation. It also does not exempt it from the need to obtain the necessary permits or approval of plans from the relevant regulatory authorities, including the MOM.
2. Details of QUICKSMART PPVC System (2016) submitted by QuickSmart Technology (Singapore) Pte Ltd to the MOM through the Building Innovation Panel (BIP) 2016-05-0040 are available at BCA.
3. This In-Principle Acceptance is not an endorsement of the above-mentioned products by MOM nor does MOM give any warranties, explicit or implied, regarding the availability of the products, information, product or services, efficacy of the products or warranties of merchantability, fitness for a particular purpose, title or non-infringement. The supplier/user must ensure that their products are safe for public use and comply with all relevant regulations and statutory requirements at all times.
