BIP NUMBER 2016-05-0040**

This letter ^[Note 1] is issued to **QUICKSMART TECHNOLOGY (SINGAPORE) PTE. LTD.** to confirm that the **Steel Prefabricated Prefinished Volumetric Construction (PPVC) System - QUICKSMART PPVC System (2016)** as submitted ^[Note 2] to the National Environment Agency (NEA) through the Building Innovation Panel, is in-principle acceptable for use in building projects in Singapore, subject to the following conditions:

- (i) The development projects using the **Steel Prefabricated Prefinished Volumetric Construction (PPVC) System - QUICKSMART PPVC System (2016)** are subject to compliance with the technical requirements and provisions which are stipulated in the Code of Practice on Environmental Health, Singapore Standard SS593: Code of Practice on Pollution Control, the Code of Practice on Sewerage and Sanitary Works, the Code of Practice on Surface Water Drainage, the Sewerage and Drainage Act, the Environmental Public Health Act, the Environmental Protection and Management Act, and their attendant regulations, including the Environmental Protection and Management (Control of Noise at Construction Sites) Regulation.

KOH CHIN YONG
DIRECTOR
CENTRAL BUILDING PLAN DEPARTMENT
NATIONAL ENVIRONMENT AGENCY

Note:

1. This In-Principle Acceptance (IPA) does not exempt the Steel Prefabricated Prefinished Volumetric Construction (PPVC) System - QUICKSMART PPVC System (2016) that is designed and supplied by QUICKSMART TECHNOLOGY (SINGAPORE) PTE. LTD. from the need to obtain the necessary permits or approval of plans from the relevant regulatory authorities, including but not limited to NEA.
2. Details of Steel Prefabricated Prefinished Volumetric Construction (PPVC) System - QUICKSMART PPVC System (2016) submitted by QUICKSMART TECHNOLOGY (SINGAPORE) PTE. LTD. to the NEA through the Building Innovation Panel (BIP) 2016-05-0040 are available at BCA.
3. This In-Principle Acceptance (IPA) is not an endorsement of the above-mentioned products by NEA nor does NEA give any warranties, explicit or implied, regarding the availability of the products, information, product or services, efficacy of the products or warranties of merchantability, fitness for a particular purpose, title or non-infringement. The supplier/user must ensure that their products are safe for public use and comply with all relevant regulations and statutory requirements at all times.
